

McDonald's Australia

Main Food Menu

Food and Beverage - Allergen - Ingredients - Nutrition Information

Information correct as at February 2025

At McDonald's we believe in the nutritional principals of balance, variety and moderation and that eating at McDonald's can fit into a healthy lifestyle. Our goal is to provide you with the information necessary to make informed decisions about your McDonald's menu choices. This guide can help you balance your McDonald's meal with the other meals you eat today, and every day.

This guide is for our Main Food Menu . For information regarding short-time menu items, please either ask a manager in one of our restaurants or contact our Customer Service Department either via our website <http://mcdonalds.com.au/contactus> or on 02 9875 7100.

The nutrition and ingredient information is based on standard product formulations, standard product assembly and standard serving sizes. Actual sizes and assembly may vary. Due to the individual preparation of each of our menu items, actual values may vary from those listed. Variations may also occur depending on the supplier, country of origin, region of the country of origin, and the season of the year. Further, product formulations may change periodically.

Food Sensitivities and Preferences

As we operate working kitchens please be aware that there is always a risk that traces of allergens may be transferred to ingredients during storage or preparation of food in our kitchens. McDonald's Restaurants are therefore unable to guarantee that any food item sold is free from cross contact of allergens.

No food items are certified as vegetarian. Whilst some ingredients may not contain animal ingredients, we cannot guarantee that there will be no cross contact with ingredients that do contain animal ingredients in our kitchens.

We have a number of Halal certified restaurants. Only those items listed on the certificate in the front counter area and drive thru booth at our restaurants serving Halal options are certified as Halal.

If you would like further information or have food sensitivities or dietary concerns regarding specific ingredients in specific menu items, please contact us at <http://mcdonalds.com.au/contactus> or call us on 02 9875 7100.

Our allergen labelling complies with Australia New Zealand Food Standards Code – Standard 1.2.3 (Registered 09 March 2021)

If this document has been printed, please visit <https://mcdonalds.com.au/our-impact/food-quality-sourcing/nutrition> for most current information.
